Re: Survey Natural Gas Pipeline  
Job # C0006467/ F0006021 Replace 600' of Pipeline

Location: NW/4 NW/4 NW/4 Section 13 – T28S – R2E, Sedgwick County, KS

Dear Janet:

**Description of Project Activity**

As you may be aware, Southern Star Central Gas Pipeline, Inc., (Southern Star) owns and operates a natural gas pipeline under your property at the above referenced location. Southern Star would like to negotiate an easement for a future gas delivery site. In the hope that a site can be negotiated with the new landowner, Southern Star will be sending our surveyors or contract surveyors to map this area for future work. Southern Star or its contractor will be on-site for preliminary survey work mid to late January 2024 to start preparing drawings for this upcoming project. If there is a tenant on the land please inform them of the upcoming survey work.

If you have any concerns about this project now, or at any time during or upon completion, please do not hesitate to contact me by phone at 620-313-0747 or by email at [bart.goebel@southernstar.com](mailto:bart.goebel@southernstar.com)

Sincerely,

*Bart Goebel*

Bart Goebel  
Land Representative  
Southern Star Central Gas Pipeline Inc.
