195.9 ACRES WILSON COUNTY — SATURDAY, APRIL 30, 2016 — 1:00 P.M.

Open House: Sunday, April 17, Noon to 3:00 PM

PROPERTY DESCRIPTION: 195.9+- acres of Wilson County, Kansas land for sale with heavy Oak timber, very large elevation changes, unique rock formations, and a beautiful 12 acre lake, and blacktop frontage. The 12 acre lake is spring fed and known for trophy Largemouth Bass fishing. The lake has frequently been supplied by the owner with minnows and crawdads. The quality fishing also includes Black Crappie, Bluegill, and Channel Catfish. The lake has a concrete boat ramp, manmade fish habitat, and natural habitat including flooded timber, rock, and cattails. Additional world class recreation includes both Kansas Whitetail Deer & Wild Turkey hunting. A majority of the property is heavy oak timber with scattered native meadows. Delaware Springs is just east of the property, and it is believed that not only does this help provide water to the lake, but that the Delaware Indians once had a large camp in the area. Indian artifacts have been found on the property. A rural water line and electricity are present along the entire south boundary. This is a very rare opportunity to purchase a property with all the fishing, hunting, and recreation activities turnkey, plus the utilities available to build your dream home or cabin. Quick and easy access just 80+- miles from Wichita KS, 110+- miles from Tulsa OK, and 145+- miles from Kansas City KS.

LAND LOCATION: From Fredonia KS, 6 miles northwest on HWY 400 to Clay Rd., North 1/4 mile to the property.
